Fall Small Business Training

This four week fall program series is available to all existing or aspiring small businesses and entrepreneurs in Scottsdale. Each session will feature facilitation by Stealthmode Partners, tools and resources from scottsdale economic development, and instruction from local business experts.

Fall small business training series to begin Nov. 7

Beginning Nov. 7 Scottsdale economic development will host its third series focused on entrepreneurs and aspiring small businesses. The small business training series will cover topics ranging from product market fit, legal issues and structure, marketing, business finance and raising capital. Mentoring services will also be available.
