Please help Veterans Heritage Project at Lincoln Motor Company's *Driven to Give* event by **volunteering your time**.

Driven to Give is a nationwide event where local Lincoln dealerships choose a non-profit partner in their community to support. Lincoln will donate funds to VHP for every qualified test drive taken at the event. **We are thankful that Sanderson Lincoln on Bell has chosen to support Veterans Heritage Project with this wonderful program!**

Three volunteer shifts (10 volunteers per shift) available:

- 7 am to 11 am
- 10 am to 2 pm
- 1 pm to 5 pm

Volunteer training and an opportunity to participate in a test drive (for those age 18 and older) will be provided at the event. Check with your high school or employer to see if they offer community service or volunteer matching hours.

**Please click the links below for more detail about the event and volunteer roles, as well as to sign up for a volunteer shift.**

I can't make it

Even if you are unable to volunteer, we hope you can attend and test drive one of the latest Lincoln vehicles. See you at the Carefree Sundial on November 18th!

Thank you!
