Sensory Playdate ages 2½ - 6

Mondays

**November 13,
December 18**

Hello Library Families:

This is the time of year when everyone gets a little busier, but that doesn't mean that you can't make time for a visit to the library. We have lots of new books that are sure to delight young readers! Ask us for help on your next visit to the library.

Pizza & Playdate for Older Kids

**Tuesday,
November 14
5:30-7pm**

Do you love to build with Keva Planks, K'Nex, Legos and more? This fun, free, event is for kids in grades Kindergarten through 6th grade and their younger siblings.

We were able to purchase a lot of S.T.E.M. toys with LSTA grant money. Come to the library to try them out. Parents and kids can work together to build cool creations. Try over 300 Circuit-Building Experiments with our new kits.

Free pizza & water! Call to register with the total number of people in your family that will be coming.

Lego® Club

November 30, 4-5pm
Builders club

December 28, 2-4pm
Movie & building

We will show the movie Elf
on December 28th.

Free snacks provided.
We have a movie license.

We have monthly themes for our
Builder's Club, but kids ages 4 to
11 can make whatever they
want. We have lots of blocks,
so it's not necessary to
bring any from home.

Holiday Science Party with Mrs. Claus

December 12, 10:30 - Noon

Mrs Claus will entertain your children ages 2½ to 6 from
10:30 to 11:15am. Join us afterwards for cookie decorating
and a holiday science party with special guests Jennifer
from K12, and Amy Oyler, author & mother.

Being your camera to get a photo with Mrs. Claus.
Siblings are welcome.

Amy Oyler is the author of the popular blog, The Scientific Mom,
and the author of *Pop, Sizzle, Boom!: 101 Science Experiments
for the Mad Scientist in Every Kid*. A teacher and science advocate
from Phoenix, Arizona, she enjoys exploring the world of science
with her young daughters and sharing her passion for scientific
discovery as science camp instructor. Her wide array of kid-
friendly, hands-on experiments have been featured in Teen

Vogue, Allure, MAKE Magazine and on the television program, Arizona Middyay.

More good things!

We have new Homeschool materials!

Hello Homeschool families! We have a homeschool collection that you are probably already utilizing. New items are being added on a monthly basis.

We now have new *Fix-It Grammer* Student workbooks, the *Life of Fred Elementary Set & Classical Kids Audio Set* -like *Mr. Bach Comes to Call*.

Right now we are working with federal funds from the Institute of Museum and Library Services grant.

Homeschool Families CreateSpace & Game Day

**December 15
10am - Noon**

**Play with building
manipulatives & games
for ages 5 to 10 and
their siblings in
partnership with the
North Valley
Homeschool Group**

This program is supported by the Arizona State Library, Archives & Public Records & IMLS. See logo below.

Coding 4 Kids

Hour of Code

**This program is
ongoing on Tuesdays
from 4-5pm.**

Register your child(ren) to learn how to code in a variety of software design languages such as Java, Scratch, and HTML.

We meet in the kids area and use Chromebooks. This self-paced software teaches S.T.E.M. skills kids need for the future.

This free opportunity ends
December 19th, 2017.

Do you need a **free tutor** to help your 2nd grade child with reading comprehension, or practice reading aloud? Tutoring season runs from October to April/May. Call 480-488-2286, and ask for Colleen if you'd like more information.
