Scottsdale Community College is nationally recognized for its quality academics, service learning & leadership, civic engagement and innovative educational programs, which include university transfer, undergraduate research, career and technical programs and workforce development. The college offers more than 80 degree and certificate programs. SCC is the only public community college located on tribal land, thanks to a partnership with the Salt River Pima Maricopa Indian Community. SCC is one of 10 colleges that comprise the Maricopa County Community College District. The District also includes technical and skilled workforce training programs. For additional information, visit www.scottsdalecc.edu.
