

Last week - in a historic vote - the [Scottsdale City Council voted to send a letter to the Arizona State Legislature](#) asking for a statewide update of Arizona's non-discrimination statute to include sexual orientation and gender identity. The action by the Council is the first of its kind in the state and has built momentum for change.

Please join us in thanking the City Council for their action last week. Below is contact information and draft correspondence for your consideration:

Dear Councilmember _____,

As a (resident, business owner/employee) in Scottsdale, I want to thank you for your vote last week in favor of sending a letter to the Arizona State Legislature urging the need for a statewide update to our non-discrimination statute to include sexual orientation and gender identity. Your actions send an important message to the state and to all Arizonans about the importance of equal treatment. Thank you for collectively saying that our rights - and our economic sustainability - shouldn't depend on our zip code or the city in which we live. Thank you for your commitment to an Arizona that respects, protects, and celebrates all who live, work, and play in our great state
