

The Peak Sponsorship Programs

The Peak's Sponsorship Programs provide an opportunity for you to draw attention to your event, cause, business, or organization, AND support a good cause. For more than 30 years, A Peek at the Peak (The Peak) magazine has been a respected part of the north Scottsdale community. It's a community service provided by the nonprofit 501 c (3) Greater Pinnacle Peak Association (GPPA), founded in 1977. The association is dedicated to the preservation of the environment and the enrichment of quality of life in the North Scottsdale Sonoran Desert. Friends of the Scenic Drive, a corps of volunteers within GPPA, works to preserve and enhance the Desert Foothills Scenic Drive, an area landmark since 1963.

Editorial Sponsorships

A proven way to promote an event, activity, or cause is to have information published that reaches your target audience- but doing that can be difficult and costly. The Peak's Editorial Sponsorship Program guarantees that your information will be published at an affordable price. Plus, your support is recognized; sponsor names are showcased in both our e-newsletter and magazine.

Articles and Event Listings, Guaranteed Publication, Great Value

- Articles are published in the subject category that the sponsor selects: COMMUNITY, ENVIRONMENT, EVENTS, GOVERNMENT, SCENIC DRIVE, etc. Event listings are published in the EVENTS category in the Community Events Calendar article along with other event listings.

- A single article and event listing can be published or a series of related articles and events can be published.
- Articles are assigned the best available placement within their category and can be optionally featured on the category or magazine home page*. Events are listed by the date of the event.
