

# AMUSEUM

## Start your weekend early at ASU Art Museum.

From an installation featuring several still life paintings hung upside down to a lively display of new acquisitions in craft – the Museum's collection is front and center this summer.

And beginning **August 18**, we're staying open until 8 p.m. every Thursday so you'll have even more opportunities to get familiar with our exhibitions. We'll see you at the Museum.

---
