Public swim ends Labor Day

Public swim is available at Cactus, McDowell Mountain Ranch and Eldorado Aquatic Centers. Times and prices vary by location.

As we move into fall, lap swimming, fitness centers and water exercise classes are offered at these three facilities too! For more information about our pools, classes, hours of operation and fees, visit ScottsdaleAZ.gov and search "Aquatics."

Before you turn on your speaker....

Did you know Scottsdale has an ordinance on amplified sound in city parks? The purpose of the ordinance is to prevent negative impacts to other people enjoying the park, adjacent landowners and the general public, while still allowing you to listen to your favorite music. If you would like to learn more about how you can obtain a permit to use speakers or have amplified sound while at one of our parks or community centers, please call our facility booking office at 480-312-7707.

We hope you are enjoying Scottsdale Parks & Recreation Newsletter. Please forward this to someone who may wish to know about the many free and low-cost recreation opportunities we have available through the City of Scottsdale. Have something you'd like to share with us? Suggestions and comments are always welcome, we'd love to hear from you, please contact Ann Porter, aporter@ScottsdaleAZ.gov.
