Mandy Harvey

Deafness has not hampered the brilliance of this singer-songwriter and her timing, pitch, and passion are perfect. The BBC will be filming this concert for a documentary about Harvey's remarkable and inspiring story.

"It's not her sultry jazz voice that makes her unique—as a matter of fact, her sound nostalgically harkens back to the golden age of jazz standards and growling blues. The thing that makes Harvey exceptional is that she sounds so fantastic while being a deaf American.
