#### Register Today to Keep Scottsdale Beautiful!

The online registration page is active for groups to register for Keep Scottsdale Beautiful Day on **Saturday, October 28, 2017**. This event is in conjunction with the National Make A Difference Day.

Make sure you have enough safety vests, gloves, and garbage bags for the date. We will set up distribution points to hand out more supplies in October.

This is the event with a special thank you gift to help you provide water/snacks for your team.

You don't have to start your event at a certain time - it's what works best for your group.

To register your group for the Keep Scottsdale Beautiful Day, please complete the [REGISTRATION FORM](#) on the Adopt-A-Road website. After you register, you don't have to send the PRE-Event notice form. We will need a [PARTICIPANT AGREEMENT FORM](#) signed by all attendees.

Thanks for ALL you do to keep Scottsdale beautiful! For more information or to download any forms you'll need for the event, go to the [WEBSITE](#).
