Eight Kinds of Smart

Saturday, October 7

1 - 2:15pm

Children's author and educator, Barbara Gowan, will present a 1 hour workshop, with fifteen minutes for questions, to follow.

Discover your child's "smarts" and help them build on their natural strengths to learn more easily. We'll explore the *Theory of Multiple Intelligences* and examine the resources available in the library's collection. Simultaneous programming for children is being provided at the same time in the library.

See our *CreateSpace* program at left in the orange box. Please call to register for either program.

This program is supported by the Arizona State Library, Archives & Public Records, a division of the Secretary of State, with federal funds from the Institute of Museum and Library Services.

This is part of a grant we wrote to provide more resources for gifted learners of all abilities.
