## **The Music of World War II: War Songs and their Stories**

for the role mass entertainment played in buoying the spirits of Americans and in reminding us of the value of what we were fighting for. This presentation will tell the stories behind the origins of many of these musical compositions, some of which have survived to become standards and remain popular to this day. Dr. Sheldon Winkler, dentist and musician, captivates his audiences with his vast knowledge and wonderful stories!

No registration necessary. Donations cheerfully accepted at the door!
