Adopt-A-Road Coordinator's Dinner a Success!

Thursday, Sept 5th was a magical night as we gathered to celebrate the coordinators of the Adopt-A-Road Program. The evening began with a welcome from Scottsdale Mayor W.J. "Jim" Lane and then awards were presented to coordinators who reported funny or unusual items that have been found on the streets over the years.

Next we recognized those who have been volunteer coordinators for 5-9 years, and more than 10 years. Finally we recognized two coordinators who have been volunteering since the start of the program in 1996!

*Volunteers who have been coordinators for **5-9 years**: L-R: Councilwoman Suzanne Klapp, Sylvia Farley, Debra Atkinson, Marlene Wallace, Thom Malone, Councilwoman Kathy Littlefield, Mayor Lane.*

*Volunteers who have been coordinators for **more than 10 years**: L-R: T.J. Weirich, Liz Weirich, Councilwoman Klapp, Sonnie Kirtley, Ralph Rossborough, Les Conklin, Councilwoman Littlefield, Brian Massrock, Mayor Lane.*

Dinner was excellent Italian food from Pasta Brioni's. Our keynote speaker was Solid Waste Program Rep John Stumbaugh who gave a very informative presentation on Recycling in Scottsdale. There were many questions after and everyone left knowing more about recycling!

Councilwoman Klapp, Sonnie Kirtley, Les Conklin, Councilwoman Littlefield, Mayor Lane

Keynote Speaker John Stumbaugh from the Scottsdale Solid Waste Department talks about recycling to the Coordinators.
