

Adopt-a-Road Program

On The Road Again Volume 3, Issue 4, December, 2019

Save The Date

Mark your calendars! The next citywide cleanup for the Adopt-a-Road program will be **April 18, 2020**. There are no gift cards for this cleanup.

If you can't clean on April 18, you can clean the week before or after and it will still count!

Participants from Entellus cleaned their roadway for the first time this fall!

New Email Address for Adopt-a-Road Program

This will be the final email sent out in this format and from my email address. Our city Digital Media Specialist designed a great new template for our emails. They also created the email address adoptaroad@ScottsdaleAZ.gov. All correspondence about the program should now be sent to the new email address. And please make sure to add that email to your address book so it doesn't end up in your spam folder.

Mayor Lane Recognizes Adopt-a-Road Coordinators

At the Oct 28 City Council meeting, Mayor W.J. "Jim" Lane commended the Adopt-a-Road program and the valuable job all of you do cleaning up Scottsdale roadways! Founding coordinators Les Conklin and Sonnie Kirtley were presented with their own street signs!

Mayor Lane recognized Les Conklin and Sonnie Kirtley for their 23+ years as Adopt-a-Road program coordinators
