Dear Reader, ,

Help Keep Scenic Drive Distinctive.

Change On The Way: Your Support More Important Than Ever!

If you are already planning to participate, thank you. We look forward to seeing you Saturday morning. It's Earth Day!

If you are not sure, YOU WILL BE AMAZED. Picking up litter is more enjoyable than you think and there will be at least 13 miles of roadside (6 1/2 miles on each side) that will look terrific. With the Scenic Drive facing massive changes now is the time to stress how important it is to protect the heritage and beauty of this area. New volunteers are welcome.
